Dehradun – Where Nature Meets Serenity!

- ▶ Nestled in the foothills of the Himalayas, Dehradun, the capital of Uttarakhand, is a city known for its breathtaking natural beauty, lush greenery, and serene environment. Surrounded by the Shivalik range, it enjoys a pleasant climate throughout the year, making it a favorite destination for nature lovers and travellers.
- ▶ The city is home to scenic landscapes, rivers, and waterfalls. Popular attractions include Robber's Cave, a natural cave with a disappearing river, Sahastradhara, known for its sulphur water springs, and Malsi Deer Park, a heaven for wildlife enthusiasts. The Tons and the Song Rivers flow through the region, adding to its charm. Rajaji National Park, located on the outskirts, is a sanctuary for elephants, leopards, and rich biodiversity.
- ▶ Dehradun also serves as a gateway to adventure destinations like Mussoorie, Dhanaulti, and Chakrata, offering trekking, camping, and river rafting opportunities. Its misty mornings, mesmerizing sunsets, and serene landscapes make it an ideal retreat for those seeking peace and adventure alike. With a perfect mix of nature, adventure, and tranquility, Dehradun continues to captivate visitors, making it one of the most enchanting cities in northern India.

Society of Pollution and Environmental
Conservation Scientists

National Conference
on

Sustainable Research & Innovation

Challenges & Opportunities

(Hybrid Mode)

24th March 2025

Organized by:

Society of Pollution and Environmental Conservation Scientists
Registered under societies registration act 1860, dated 22 July 1994.
115 Krishan Nagar, Dehradun - 248001, Uttarakhand

Venue:

The Pearl Grand Hotel
Niranjanpur, Saharanpur Road, Dehradun
(Uttarakhand) 248001 - India

About SPECS

SPECS (Society of Pollution and Environmental Conservation Scientists) is a non-profit, non-governmental organization that has been actively **working since 1994**. Dedicated to creating positive change, SPECS has made significant contributions across a range of fields, including science communication, research and innovation, energy efficiency, environmental conservation, food quality, skill development, green business and climate change mitigation.

Over the years, SPECS has earned recognition for its impactful work. The organization has been **honoured** with the **"National Award" twice** for its exceptional efforts. It has also received **multiple prestigious accolades** from the **"Uttarakhand State Government**, such as the ****Environment Conservation Award, **Energy Conservation Award, **Governor Innovation Award, **Times Brand Icon Award** and the ****Innovator of the Year Award****.

The dedication of SPECS to sustainable development and innovation is being reflected in its track record of ***21 credited innovations**. Moreover, the organization has empowered over ****500 entrepreneurs**, fostering entrepreneurship and local economic growth. SPECS has also played a key role in making ****over 340 villages in Uttarakhand 100% energy-efficient***, supporting both **energy conservation and rural development**.

With its continued focus on addressing critical environmental and social challenges, **SPECS is committed to building a sustainable future, promoting green businesses and working toward a more energy-efficient world.**

About Speakingcube

Speakingcube is an Online Mental Health Consulting Foundation with a team of experts working to elevate mental health through mindful practices. The mission of Speakingcube is to provide educative, preventive and curative services to lay the foundation of a happy and peaceful world around us. **Speakingcube was founded by Dr. Deepika Chamoli Shahi, as LLP and transformed into a Section 8 company under the guidance of the advisors.** Speakingcube is a Mental Health NGO registered under the **Uttarakhand Government MSME and NITI Aayog**. We have a diverse team of psychologists, clinical hypnotherapists, life coaches, mindful and perinatal experts. Our advisors are Prof. Rita Kumar, Senior Professor, Psychology Department, Amity University - Noida & Dr. Col (Retd.) Chetan Sharda, Diabetologist, Yashoda Hospital, Ghaziabad.

About National Conference on Sustainable Research & Innovation: Challenges and Opportunities

The National Conference on Sustainable Research & Innovation: Challenges and Opportunities **aims to address pressing environmental issues through research, innovation, and collaboration.** This conference **serves as a platform for academicians, researchers, industry experts and policymakers to exchange ideas on sustainable practices and environmental conservation.**

Objectives:

- ◆ Promoting Sustainable Research & Innovation
- ◆ Addressing Environmental Challenges
- ◆ Exploring Opportunities for Conservation
- ◆ Bridging the Gap between Academia and Industry
- ◆ Encouraging Policy Dialogues
- ◆ Fostering Community Engagement
- ◆ Enhancing Capacity Building

Topics to be covered in the Conference

- ◆ Sustainability in Higher Education
- ◆ Innovations in Environmental Research
- ◆ Integrating Sustainable Practices into Academic Curriculum
- ◆ Eco-Friendly Research Practices
- ◆ Policies & Governance related to SDG and Academia
- ◆ Research Related to UN-SDGs
- ◆ Sustainable Research & Innovation

Outcomes

- ◆ Participants will gain insights into the latest research, technological innovations, and best practices in environmental conservation.
- ◆ The conference will provide valuable recommendations for policy makers to develop and implement sustainable environmental policies and regulations.
- ◆ Strengthened partnerships between universities, research institutions, and industries will lead to practical solutions for environmental challenges.
- ◆ The event will highlight cutting-edge technologies and strategies to promote green energy, waste management, water conservation, and biodiversity protection.
- ◆ Young researchers and students will gain knowledge and networking opportunities to advance their careers in environmental science and sustainability.
- ◆ Increased awareness and participation of local communities in conservation efforts through the dissemination of research findings.
- ◆ Identification of research gaps and potential areas for future studies in environmental conservation and sustainable innovation.

Organising Committee

Dr. G.K. Dhingra
Dean Research, Sri Dev Suman
Uttarakhand University
(Chairman)

Dr. Brij Mohan Sharma
Founder (SPECS)
(Convener)

Dr. Vinod Bhatt
SPECS
(Co-convener)

Dr. Dinesh Kumar Sati
Consultant (THDC)
(Advisor)

Dr. Mohd. Aslam
Director (BFIT)
(Advisor)

Mr. Hari Raj Singh
Environmental Consultant
(Organising Secretary)

Mr. Balendu Joshi
Development Consultant
(Member)

Mr. R. K. Mukherjee
Development Advisor (TARN)
(Member)

Dr. Ajay Kumar
Shram Yog
(Member)

Mr. Shankar Datt
Environmentalist
(Member)

Dr. Parul Singhal
Maya Devi University
(Member)

Er. Sourabh Kaushal
ISRO (Smartcircuits
Innovations Pvt. Ltd.)
(Member)

Dr. Deepika Chamoli Shahi
Speakingcube
(Member)
